Washington, D. C. 20505

Dear Mr. George:

Thank you for your letter of May 17 to Senator Percy concerning the CIA's review of the Foreign Relations Committee's classified transcript of October 10, 1963.

In addition to the transcript being used by the State Department and the Committee, the Congressional Research Service has quoted from it in a study on Vietnam which will be published by the Committee. None of the quoted material remained classified by the Agency after its review, but I did want you to be aware of this future publication. A copy of the draft pages involved are enclosed for your information.

Sincerely,

Scott Cohen
Staff Director
